(adapted from: <https://new.edmodo.com/>. July 2019)

This page details how to sign up for a brand-new Student account if you've been giving a Group Code. If you have never created an Edmodo Account, you can create a new Student Account by following the steps below:

Obtain a **Group Code** from your teacher. Your **CODE** is: **ytdg6e**.

1. Go to www.edmodo.com and click “**Student.**”

The screenshot shows the Edmodo website homepage. At the top left is the Edmodo logo. To its right are navigation links: "Learn more", "Resources", and "Support". At the top right are "Log In" and "Sign Up" buttons. The main content area features a colorful illustration of four stylized people (two blue, two red) and a yellow Pikachu character. To the right of the illustration is the text "Learn Better Together" followed by "Manage your classroom. Engage your students. Safe. Simple. Free." Below this is the text "Get started as a..." and three buttons: "Teacher" (yellow), "Student" (blue), and "Parent" (blue). A black arrow points from the text "Student." in the list above to the "Student" button on the website.

2. To sign up for a free account, **fill out the registration form** with your **first and last names, Group Code, a unique Username (DO NOT use nicknames), and Password**. Supply an **Email address** for your Student Account.
